### **Eligibility Criteria**

To be eligible to reside at McMillan, you must be on Conditional Release or have a funding source. Funding sources can include, Drug Court, Provincial Special Needs, Winnipeg Regional Health Authority, etc. If we have the bed space, we also take some residents on EIA, but not a lot. You must ask for the enhanced rent, and if applicable, you would need a letter from the court stating you must reside at McMillan as a condition of your bail/release, and we would also need to fill out a rent form for you.

### **Provincial Residents and Conditional Release**

**If serving a provincial sentence, you are still eligible for conditional release.** Once you are sentenced, if you are serving around a year +, it may be beneficial to apply for a conditional release in order to access resources and serve the remainder of your sentence in the community. If granted **Day Parole**, you would reside in a treatment facility and/or CRF until your early release date (ERD). If granted **Full Parole**, you would reside in a treatment facility or CRF until the end of your sentence.

Ask your Case Worker for a Parole Application, or you can contact the Winnipeg Parole Office directly. We also have Day Parole Applications directly on our website at [uchh.ca](http://uchh.ca).

Complete a Day Parole Application and mail to:

Winnipeg Parole Office  
102-123 Main Street  
Winnipeg, MB  
R3C 4N5  
Phone: (204) 983-4306  
Fax: (204) 983-5869

If you are interested in residing at McMillan, please fill out the application below, and you can mail or fax it to us. It may also be a good idea to ask your Case Worker to contact us as well. Once reviewed, you will be given an assessment to complete and send back to us. Lastly, I would schedule a time to come and meet with you, and we would talk about to the process of residing at McMillan.
